

COHO COMMUNITY NEWS

COMMUNITY ENGAGEMENT

The City of Hudson Oaks set up a booth at the Super Safety Saturday event held at Texas Health Willow Park. We focused on promoting fireworks safety and thoroughly enjoyed engaging with the community!

ANNUAL WATER QUALITY REPORT

In accordance with TCEQ (Texas Commission on Environmental Quality) regulations we provide an annual report regarding water quality. This is a routine procedure, not an indication of any problems with our water supply. **Scan the QR code** or visit hudsonoaks.com/waterqualityreports to view your report. For your protection TCEQ requires that we monitor numerous substances that may be present in water.

WE WANT TO HEAR FROM YOU!

The city is developing a parks master plan for Gene L. Voyles Park and seeks resident input. **Scan the QR code** or visit <https://bit.ly/43dJvWI> to take a brief survey and share your thoughts. Your feedback is vital for shaping the park's future to meet community needs! Your feedback is vital for shaping the park's future and to meet community needs!

BOOMIN' 4TH - A YEAR TO REMEMBER!

The Boomin' 4th event held on July 4th at Gene L. Voyles Park was a resounding success, despite the rain, which didn't dampen the spirits of attendees. The food court, kid zone, and live music were spectacular and the night ended with the best fireworks show we have ever seen! We are so grateful to everyone who joined us to celebrate this occasion, and we extend a big thank you to our generous sponsors:

- **SouthWest Ford**
- **Home Zone Furniture**
- **H-E-B**
- **First Bank Texas**
- **ZacTax**
- **Pinnacle RV**

We are excited to plan the 2026 Boomin' 4th, which will be the 250th Independence Day - it's going to be a great one!

KNOW YOUR WATERING DAY

As we welcome summer's sunny days, we're now in **Stage 1** of our water conservation plan. Let's preserve our water resources!

Here's what to remember:

- Water outdoors two days a week, based on your address's last digit.
- Odd numbers: Wednesday and Saturday.
- Even numbers: Thursday and Sunday.
- No watering on Mondays.
- Avoid watering between 10AM & 6PM.

Your cooperation ensures a sustainable water supply.
