RECOGNITION & APPRECIATION

This month, we express our gratitude to our public servants! From the administrative staff at city hall to our public works team and police officers, we are celebrating several important national appreciation events: Public Service Recognition Week, National Public Works Week, and National Police Week. We are thankful for our dedicated public servants and will honor and celebrate them throughout May!

THANK YOU

PUBLIC SERVICE RECOGNITION WEEK

Public Service Recognition Week is celebrated the first week of May to honor the people who serve our nation as federal, state, county, local and tribal government employees.

NATIONAL POLICE WEEK

Established by a joint resolution of Congress in 1962, National Police Week is a collaborative effort dedicated to honoring America's law enforcement community.

NATIONAL PUBLIC WORKS WEEK

This year's theme of "People, Purpose, Presence" highlights how public works makes communities safer, more vibrant, and a better place to live. Whether serving as first responders, responding to electricity outages, providing regular waste pickup, or making roads and sidewalks passable after a winter weather event, public works is always there when people need them.

EVENT UPDATES

The annual Hoppin' COHO Easter Egg Hunt held on April 11 was a delightful success, bringing joy and excitement to participants of all ages. A special thanks goes out to our community partners, whose support was crucial in making the event possible. Thousands of colorful eggs were hunted by eager participants, from babies experiencing their first egg hunt to seasoned hunters who returned for another year of fun. It was heartwarming to see our special community come together, sharing in the festive spirit and camaraderie. Overall, the event was a wonderful celebration of community, joy, and tradition.
